

## ***Visit Portland Partner Reciprocal Linking***

### **Classes available for custom styling:**

.visitportland-container{} - This can style the container holding the text and image  
.visitportland-link{} - This can style the link around the text and image  
.visitportland-text{} - This can style the text  
.visitportland-logo{} - This can style the VisitPortland logo

### **Code to add to a partner website:**

#### **Option 1:**

```
<!--Original Partner Logo-->
<div class="visitportland-container" style="text-align: center; margin: 0 auto;
padding: 1rem;">
<p class="visitportland-text" style="font-size: 1em; font-weight: bold;">Proud Partner
of Visit
Portland</p>

</div>
```

#### **Option 2:**

```
<!--Horizontal Black Partner Logo-->
<div class="visitportland-container" style="text-align: left; margin: 0 auto; padding:
1rem; max-width: 300px;">
<p class="visitportland-text" style="font-size: 1em; font-weight: bold;">Proud Partner
of Visit
Portland</p>

</div>
```

#### **Option 3:**

```
<!--Horizontal Red Partner Logo-->
<div class="visitportland-container" style="text-align: left; margin: 0 auto; padding:
1rem; max-width: 300px;">
<p class="visitportland-text" style="font-size: 1em; font-weight: bold;">Proud Partner
of Visit
Portland</p>

</div>
```

#### **Option 4:**

```
<!--Rectangular Partner Logo w/o Authentic By Nature-->
<div class="visitportland-container" style="text-align: center; margin: 0 auto;
padding: 1rem;">
<p class="visitportland-text" style="font-size: 1em; font-weight: bold;">Proud Partner
of Visit
Portland</p>

</div>
```
