

Visit Portland Partner Reciprocal Linking

Classes available for custom styling:

.visitportland-container{} - This can style the container holding the text and image
.visitportland-link{} - This can style the link around the text and image
.visitportland-text{} - This can style the text
.visitportland-logo{} - This can style the VisitPortland logo

Option 4:

**Proud Partner of Visit
Portland**

Code to add to a partner website:

```
<!--Rectangular Partner Logo w/o Authentic By Nature-->
<div class="visitportland-container" style="text-align: center; margin: 0
auto; padding: 1rem;">
<p class="visitportland-text" style="font-size: 1em; font-weight:
bold;">Proud Partner of Visit
Portland</p>

</div>
```
